

HAPPY NEW YEAR!!

OIPA is proud to announce that we will be using the new WGI tabulation and media program this year called Competition Suite. The program will make it easier for directors to listen to judge's tapes and view competition recaps. You have or will receive an email from Competition Suite that will provide you with a link to set-up your account password, add email addresses for your staff and add your cell phone number.

Judges comments for all OIPA events will be sent to your cell phone. You will receive a text message stating that your recordings are ready for you to review along with a phone number you will call on your cell phone. **You must enter your cell phone number in before your first OIPA competition.**

Attached is information that will help you set-up your account. Please feel free to email me if you have any questions or problems with your account.
