We are excited about hosting Premier on Sunday, January 15th. The guard warm-up will be located in the gym of the elementary building behind the High School, so you will be going outside to get to warm-up. It is just a short walk across a parking lot. (Subject to change due to weather conditions.) The percussion drop off will be at two different location depending on if you are in warm-up A or B. There will be someone outside to help direct you in the correct direction.
